TO SERVE YOU BETTER:

- Enclose your check or money order and payment stub.
- Ensure the New Mexico Gas address appears in the return envelope window.
- Write your account number on your check or money order.
- Do not fold, staple, tape or paperclip.

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check. When we make an EFT, funds may be withdrawn from your account the same day we receive your payment, and your check will not be returned to you from your financial institution.
